

Weekly Estate Bulletin – Golden Lane Estate.

Week ending 8 October 2021

Estate Matters:

Communal Repairs:

Bowater House

Broken door frame and missing bolt on recycling bin shed – reported to the Barbican repairs service on 8.10.21. Status: Unknown.

Golden Lane walkway between Bowater House east & 1-5 Stanley Cohen House

X 2 protruding paving slabs requiring re-bedding. Reported to the Barbican repairs service on 7.10.21. Status: Unknown

Door entry fobs

Unfortunately, we are still experiencing technical difficulties with our fob programmer due to damaged connections. AD security will be returning soon to carry out further investigations. We will notify residents via the weekly bulletin when we are ready to start programming fobs again.
