

Golden Lane Now Live!

Superfast broadband has now arrived at

Golden Lane Estate

This means that faster broadband speeds are now available to residents and businesses of Golden Lane Estate. From internet-enabled smart TVs, to games consoles, tablets and phones – uploading and downloading music, films, photos and games just got easier.

This is great for business, leisure and for anyone who works from home.

- You can check your home or business has now been enabled using the BT postcode checker www.superfast-openreach.co.uk/where-and-when
- Then contact your Broadband Provider (and/or other providers too) to find out the best offers available to you in your area.
