

## **Weekly Estate Bulletin – Golden Lane Estate.**

**Week ending 5 August 2016**

### **Estate Matters:**

#### **Great Arthur House Lifts Update**

The refurbishment works for lift number one in Great Arthur House continue to progress well. Lift number two has been functioning well with no further defects reported this week

#### **Floor Polishing in Communal areas**

Our estate cleaners are currently undertaking floor polishing in the entrance lobbies and outside some flats across the estate. Unfortunately, this activity is sometimes being hampered by people ignoring notices and walking through cordoned off areas, resulting in wet polish being smeared. Therefore, we would respectfully ask residents and their visitors to avoid crossing taped off areas.
