

Weekly Estate Bulletin – Golden Lane Estate.

Week ending 17 March 2017

Estate Matters:

Hatfield House

Recycling

We would like to remind our residents that items are not to be dumped beneath the basement stairs at Hatfield House, as this area is no longer a recognised collection area.

Cullum Welch House

The estate office have been made aware that some residents who are smokers in Cullum Welch House have been regularly throwing their cigarette ends out of the windows onto the steps below the block, and also onto the communal balcony. We would ask that those responsible please refrain from this activity as it makes the estate unpleasant for other residents.

Communal Repairs:

Crescent House

There is a fault with some of the lights on the third floor – this was reported to the repairs service on 14 March.

Dates for Your Diary:

Architects Workshop – Saturday 18 March 2017 at the Golden Lane Estate Community Centre (11:30 a.m. – 2:30 p.m.)
