

Weekly Estate Bulletin – Golden Lane Estate.

Week ending 17 November 2017

Estate Matters:

Hatfield House lifts

The new lifts at Hatfield House are already showing some signs of wear, with surface scratches present on the inner walls, and some marks on the floors. If you are having work done in your flat, or you are moving home, please take adequate precautions when using the lifts, by putting down dust sheets on the floor and protecting the walls of the lifts if they are likely to be damaged.

Communal Repairs:

Bayer House

There is a section of corroded metal conduit in Bayer House east by the internal bin shed – this was reported to the repairs section 13 November.

There is a cracked paving stone inside the Bayer House east lobby - This was reported to the repairs section on 13 November.

Cullum Welch House

There is a section of metal conduit missing by the ground floor entrance and the rear of the shops – This was reported to the repairs section on 13 November.

Podium area

There is a length of iron grill which is protruding by the first tree by the Fann street underground exit barrier – This was reported to the repairs section on 13 November.
