

Weekly Estate Bulletin – Golden Lane Estate.

Week ending 15 December 2017

Estate Matters:

Bowater House lift replacement programme

We would like to remind residents of Bowater House that the lift replacement programme will begin during the week commencing 8 January 2018. The lift will be out of action for three months from this date.

Estate office opening hours

Please check the estate notice boards for Christmas office opening hours and forthcoming events.

Communal repairs:

Crescent House

Rain water is pooling between flats 236-253. This was reported to the repairs section on 11 December.

The seal on the corridor floor joint by flat 238 has deteriorated. This was reported to the repairs section on 13 December.

There are blocked rain water gullies by flats 114, 214 & 314. This was reported to the repairs section on 13 December.

Cullum Welch House

There is a blocked drain on the balcony by flat 2. This was reported to the repairs section on 14 December.

Bayer House

There are three damaged lighting motion sensors in the basement shed area. These were reported to the repairs section on 11 December.
